

Holt Coat hook

Description

Holt oak coat hook.

Performance

- Suitable for interior applications
(Also available for external applications on request).
- Unifying super circular design with sculptured hook profile.
- Lacquered finish that is easy to clean and maintain.
- Secret face fixing.
- 63% lower embodied energy than comparable stainless steel products.

Production and Materials

The Holt coat hook is crafted in the UK from FSC accredited oak and then precision finished with 5% matt interior lacquer. Durable steel components are inserted into the coat hook to provide the base strength for the secret face fixing.

Reference Code

HO2870 Holt coat hook with secret face fixing.
